MN Police Association response to Hennepin Co. Attorney's statement on receiving Ricky Cobb investigation file

(St. Paul, Minn.) In response to Hennepin County Attorney Mary Moriarty's [statement](#) regarding receiving the BCA investigation file, Minnesota Police and Peace Officers Association General Counsel Imran Ali (and former Washington County prosecutor) said,

"It is unconscionable that a county attorney, who is responsible for a potential charging decision in a criminal matter, make any comment involving a case before the decision has been made. As a former prosecutor, it's clear her comments run contrary to due process rights. Prosecutors are the ministers of justice, and these statements unethically tip the balance."
